### Message from the Principal

#### Roof Works

The contractors are set to be on site tomorrow to commence work on the new rooves on all blocks within the school except for the hall, Library/Staffroom and B Block. We will all have to be flexible over the coming weeks and possibly months and combine classes at times so the contractors can have access to the classrooms. There will also be asbestos removal occurring as all the eaves are set to be removed and replaced, but all of this will be conducted after school hours and on weekends. If you have any questions or queries regarding this please don't hesitate to contact the front office.

#### District Cross Country

Tomorrow we have close to 30 students travelling to Geurie racecourse to participate in the Dubbo District PSSA Cross Country trials. Mrs Taylor and Ms Jeffery will accompany the team as students compete for a place on the district team to attend the western carnival in Orange later this term. All the best to all students competing and I'm sure they will represent our school with pride.

#### PSSA

Until last week the behaviour at PSSA sport was exceptional and all students were enjoying the opportunity to represent the school and compete against students from other schools. Last week we had some students use inappropriate language whilst at PSSA and be hands on with one another, which will see them deemed ineligible to participate this Friday. Students all signed a code of conduct at the commencement of the season and any behaviour falling below these expectations will see students deemed ineligible to attend for a week. This is a

great opportunity to show off their skills and compete against students from other schools in a variety of sports, in a friendly and non-competitive environment.

#### COVID

Please be aware that students no longer need to isolate if they test positive to COVID, as long as they are showing no symptoms. It is to be treated like the flu, if students have symptoms and feel unwell then they need to remain at home, but if they show no symptoms then they are able to attend school. If you need some more RAT tests please contact the front office and these will be provided.

#### Soccer Knockout

The next round of the state soccer knockout will be played against Buninyong PS next Tuesday, 30<sup>th</sup> May. Both the boys' and girls' teams had excellent wins over Orana Heights in Week 3 and hopefully they can build on these wins and progress to the next round.

#### Drop Offs

Thanks to those parents who continue to support the school with quick drop offs in the mornings. Students enjoy seeing their friends first thing in the morning and attending breakfast club and generally speaking they settle much quicker when morning routines are followed.

Have a great week.

Principal

## Infants had Great Fun at The Dubbo Show!

## 2 Days to Go! Before Visiting Dubbo North

Alex Almonkov will be connecting with Year 3-6 students on 25/05/2023 2:00 PM, as part of Olympics Unleashed.

The students will learn from Alex Almonkov's Olympic journey how to build resilience, the importance of setting goals and how to find what you are passionate about.

Students will hear firsthand from Alex Almonkov about how they overcame challenges to compete in their chosen sport at the very highest level, and how some lessons they've learned in sport can help students to be the best they can be – whether that's in school, at home, on the sporting field or with friends.

A promotional poster for 'Dr. Seuss's THE CAT IN THE HAT'. The title is in large, bold, red and white letters. Below it, it says 'LIVE ON STAGE IN THE SCHOOL HOLIDAYS!'. The date 'JULY 6' and location 'Dubbo Regional Theatre' are clearly visible. The Cat in the Hat character is illustrated at the bottom right. Contact information 'Ph 6801 4378' and websites 'www.drftcc.com.au' and 'www.catinthehatlive.com' are provided at the bottom.
